

Standard/Stock Clam Programs

Standard Clam Program

The Standard Clam Program has been developed in order to showcase your product in a crowded marketplace. Standard Clams are tamper resistant and are made out of clear PVC to provide maximum product visibility. There are no tooling costs* involved with the program, therefore keeping your start up costs low. Keep in mind that graphic insert cards can be added to create the perfect package for your product. All prices are FOB- Lawrence Paper Company (Lawrence, KS 66049) and include shipping boxes. Minimum order quantities apply.

* Note: If heat sealing is desired, heat seal tooling and service charges may apply. All prices are subject to change.

L= Part length **W**= Part width

PL= Pocket Length **PW**= Pocket Width **PD**= Pocket Depth

S= Snap **P**= Pocket undercut **HS**= Heat Seal

Unless otherwise specified, the hinges are on the width dimension

Standard/Stock Clam Programs

Stock Clam Program

Unlike the Standard Clam Program, stock clams are in stock ready to be shipped. Minimum order quantities (box quantity) are much lower, making this program even more affordable. Stock clams are also made out of clear PVC to provide maximum product visibility. If applicable to your project, graphic insert cards and heat sealing are available as well (additional charges apply). All prices are FOB Lawrence Paper Co. (Lawrence, KS 66049).
